as part estimate below, has to be met from State Funds during the Current Official Year:—

Office Draft.

Progs. of the Govt. of H. H. the Maharaja of Mysore.

Read:

Correspce ending with Memo No. 104 dated 6th January 1904 from the Comptroller to the Govt of H.H. the Maharaja of Mysore, relative to the grant of funds for the restoration of tanks breached in the Kolar Div.

Order:

In connection with the restoration of the breached tanks and other works in the Kolar Div. a sum of Rs 3,83,500/- is ~~required for this official year from Provincial Funds~~ noted as hereunder

	Rs
Kolar Divn Tankot roads —	1,53,500/-
Belamangala Tank —	1,15,000/-
Hessarghatta, Kakol and Byatta Tanks —	1,00,000/-
Madhari Tank in Bangalore Divn —	15,000/-
	Rs 3,83,500/-

Towards this amount a sum of Rs 78,000/- will be

made available by post-
poning the budgetted
works specified in the
~~margin~~ statement hereto
attached. As it is feared
that the works have been
underestimated; it is
thought safer to calculate on about
½ a lakh extra expenditure
which can be made
available out of the allot
ment of Rs 3 lakhs made
for the Marikanave work
so it will not be possible
to work out the full
grant during the curren
year owing to great
demand of labor in the
Cuddapah District. It
is ~~further~~ reported that there will
be a saving of one lakh
of rupees in the current
years' Railway Budget.
~~It has also been ascer-~~
~~tained from~~ the Comptr. (Mar Statt
that the required sum
of 3 lakhs may be made
available by sanctioning
Rs 2 lakhs as an addi Fund
grant and by reappropria

Rupees One lakh from the Railway Budget.

2. The additional grant of 3 lakhs of rupees required ~~for the restoration of bridges & culverts &c, in the Kolar Division~~, is sanctioned. ~~and~~ It will be met in the manner proposed by the Comptroller in Secretary P.W.D. ~~as above~~. is requested to take further action in the matter.
